

LONE CANARY
WINERY

2007 Barbera

Italian in style, it is refined and racy.

The color is a deep almost purple garnet and in the nose it is elemental blackberry and sweet earth. On the palate, the berry notes develop into a delicious jamminess surrounded by a slight dust of minerality and sweet espresso crema.

In the finish, there are satisfying notes of dried berry & chocolate.

BTI 2009 World Wine Championships

GOLD MEDAL

"Cocoa-dusted Craisins, potter's clay, and raisin-fig chutney follow through on a lively, smooth entry to a tangy medium-to-full body with tangerine peel, menthol, and pomegranate accents. Finishes with a tart, refreshing cranberry chutney-like fade. A fun, exciting (wine) to pair with spicy Asian pork or Tun dishes."
