

LONE CANARY
WINERY

2007 Cuvee Rosé

Y Y

Blended at juice stage and co-fermented, this is an unorthodox blend of Sauvignon Blanc and Barbera. Totally dry, this wine presents aromatics of strawberry jam and ruby red grapefruit. On the palate, it is rich and plush with bright, crisp flavors of strawberry and tangerine, and a long, floral finish.

Lone Canary is a Washington state winery dedicated to the production of high-quality, elegant wines that express what is delicious and distinctive about our state's fruit.
