

LONE CANARY
WINERY

2007 Pinot Noir

This is the first vintage-dated Pinot Noir grown in Spokane soil, and shows the march to maturity that these vines are making. This is a much more structured wine than its predecessor, showing depth and complexity normally associated with long-established vines. The wine was aged for a total of 12 months in new and 2-year-old French oak barrels to polish and accentuate the bright, candied berry nature of the fruit.

Lone Canary is a Washington state winery dedicated to the production of high-quality, elegant wines that express what is delicious and distinctive about our state's fruit.
