## 2007 Syrah

---

*With an eye on its heritage, we produced this Syrah in a style showing the varietal's more graceful elegant side. Dark and inky in color, this wine offers a powerful nose of blackberry, sloe and sweet earth. Plush on the palate, it shows flavors of blueberry layered with dark cocoa finishing with hints of clove candy and dark roast coffee.*

***Outstanding!***

"Spokane vintner Mike Scott devotes a lot of his energy to the Milbrandt vineyards in Mattawa, Wash., and for good reason. Here's a beautiful and balanced Syrah with red tones to its aromatic profile, namely ripe strawberry and red currants with violets and baking spices on the upper shelf. There are no misgivings and no misconception on the pour, which is akin to velour. While the same fruit is there, it's not sweet, and joined by blackberry acidity on the midpalate. Inviting tannins are joined by espresso and cloves."

**SILVER MEDAL**

"Deep garnet color. Bright aromas of toffee and blackberry compote follow through on a supple entry to a fruity-yet-dry medium-to-full body with very good depth and a seamless texture. Finishes with a long, juicy toasty praline and spice accented fade. Very tasty and easy drinking."
